Please see the attached summary (Dimock resident key.doc) detailing the source data locations for the max results we have been talking about for these wells.

Thank you Ann for sending me the data files tonight- I owe you BIG.

## Ex. 5 - Deliberative

Ex. 5 - Deliberative I think this issue has raised its ugly head in past - residents are being provided essentially water that they assume to be of public water quality but there may be no assurances there depending on where it is coming from.
